

JURIST SAYS CITIZENSHIP 2-WAY STREET

Judge D. Clifford Higgins discussed the responsibilities of good citizenship before Instructor Robert Brigham's adult education class in Civics Monday night.

Almost half of Instructor Brigham's class are aliens in the process of becoming naturalized Americans.

"While the great majority of our new citizens are assets to our

democracy," declared Judge Higgins, "the findings of the Ke-fauver Committee show that vice rings in our larger cities, including Los Angeles, are too often controlled by those who have become citizens to enjoy the privileges without sharing the responsibilities of good government. Good citizenship," he added, "is a two-way street."

Judge Higgins reminded the

Civics class that America is one of the few remaining nations where there is still trial by jury.

"Many students of human rights consider trial by jury the greatest step forward of modern civilization," said the jurist.

He also pointed out to the future citizens that no country under collective rule had anything like the guarantees to citizens contained in the first article of our Bill of Rights.

Olympic Visitor Speaks At High School P-TA Meet

Ivan Malm, Student Counselor of the Torrance High School faculty, was the featured speaker on the program presented at the Torrance High School P-TA's first meeting of the year, held in the new cafeteria at the High School Tuesday evening, October 14.

Principal John H. Steinbaugh, in behalf of Mrs. Sam Neely, Program Chairman, introduced Mr. Malm, who, having flown to Helsinki, Finland for the Olympic Games, chose as his subject: "Europe In All Its Splendor."

Using slides of the colored pictures he had taken of the Olympics and in Paris, France and in Sweden, he gave a detailed narration portraying the beauty, the architecture, clothing styles, and the customs of the people of these countries. He visited relatives while in Sweden, his father's homeland, and gave an interesting account of his visit there, including a rock steam bath.

Mrs. E. J. Jansson, hospitality chairman, was in charge of the Pot-Luck Dinner, which preceded the meeting. Mrs. G. C. Van Deventer, music chairman, presented Walter Silke, vocal instructor for the school, who directed the newly organized Boy's Glee Club in rendering three songs, concluding with the Alma Mater.

Mrs. J. L. Stephens, legislation chairman, spoke on State Proposition No. 2 and 24, urging a "yes" vote on both measures which are also endorsed by the State Congress of P-TA. Mrs. F. W. Lan, magazine chairman, prom-

TARTARS LAY DOWN BEFORE SAMOHI 11

A hard-fighting, high-spirited Tartar varsity crew went down to a 35-7 shellacking by the power-packed eleven from Santa Monica High last Friday night on the Tartar's own field.

The local squad started out boldly at the kick-off and promptly marched to the SamoHI 24-yard line in a series of quick opening plays.

Then Ronnie Knox, with the apparent held of the referees and the rest of the team, started to show the class which has made Santa Monica tops in the Bay League loop in past years.

Although beautiful play sparkled through the game, the bulk of the buzzing in the crowd resulted from action by the referees.

Tartars will play Montebello tomorrow night on the local field.
